LOMC-VALID

Dear Mayor Walton, Sr.:

This letter revalidates the determinations for properties and/or structures in the referenced community as described in the Letters of Map Change (LOMCs) previously issued by the Department of Homeland Security's Federal Emergency Management Agency (FEMA) on the dates listed on the enclosed table. As of the effective date shown above, these LOMCs will revise the effective National Flood Insurance Program (NFIP) map dated December 4, 2007 for the referenced community, and will remain in effect until superseded by a revision to the NFIP map panel on which the property is located.
